Tiny Dancer - Designed & Taught by Julie Herman

Tiny Dancer Workshop

Level of Experience - Confident Beginner/Intermediate Learn to use the Hex N More Ruler while making Tiny Dancer. This new ruler was designed to cut 4 shapes in 4 sizes! As a result it gives you limitless possibilities. All of the pieces can be rotary cut from strips. In class we will focus on using the Hex N More to accurately cut all of the pieces needed. Tiny Dancer is ideal for showcasing medium to large-scale fabrics. Select a contrasting background fabric to create these dancing blocks. Students will use chain piecing to speed up the quilt creation process. They can expect to create blocks and being assembling their quilt top during the class. Students will also learn tips and tricks on binding. This includes how to bind 120° angles, make a flange, bias binding, scrappy bias binding, and so much more!
