**\* Pre-cutting the fabrics is a mandatory requirement prior to taking this course. Please begin preparing for class at least 3-WEEKS prior to the class to make sure that you are able to get familiar with your pattern and complete the pre-cutting beforehand. It is important that you have your pre-class cutting completed. If this step is not completed you will have a very difficult time keeping up and participating in the instruction. We recommend reading through your entire pattern before beginning.**

**CORRECTIONS:** PLEASE visit Judy's website prior to class and make sure that you have the latest corrections for the pattern. If your pattern has a QR Code printed on the back, you may also scan this with your smart phone to go directly to the page and upload the corrections to your phone.

**Cutting Instructions:** Please read through General Information on Page 1 of your pattern and 'Pre-Cutting your Fabric Instructions' on Page 2 before completing the steps below. Note: Please make sure all of the Template Sheets, Foundation Sheets, and fabric pieces are placed in the correct bags!
