## A word from Our President

Happy Fall Y'all

We have had an incredibly good month. Our speaker Beth Helfter was really a fun and informative speaker and teacher. We filled the class, and we all got a lot done. Many of us posted our projects on Facebook. I love the pillow I made for my sunroom.

Marie Blash with her Mystery Quilts has us turning out one beautiful quilt after another. I am in awe of what you ladies put together from your stash.

Last week, we had our FREE Workshop and I am calling that a successful day. Many stopped by to say hello and see how we all sew together under the direction of a teacher, all online. About 25 stayed for the entire day, and Carol Logue walked us through 9 different blocks. By the end of the day we all agreed that we had a great time and would like more Sew Days. We will work on that for the future, where we all just work on our own projects. Thank you, Carol Logue and her assistant Justine Gentile.

With the Covid virus, and our anticipation of the future meetings, I wanted to ask you all a favor. Several of us are taking the time to clean out our homes and of course sewing areas. I am willing to predict that many of us have put aside a box or two for the next meeting to donate to Fabrics and Trims. As you can imagine that could be overwhelming for our committees. Please find charities that can make good use of any books, knitting or cross stitch supplies, or smaller pieces of fabrics and trims. Philanthropy can still make use of your larger pieces of fabrics for pillowcases and quilts.

I am excited about our new meetup or I should say "Drive By" with our Philanthropy ladies, Sherry Lincoln, and Jane Ogelsby at the Elks. See Sherry Lincolns article below.

I hope you are all taking good care of yourself and staying safe when you must go out.

Christi Kolisnyk

## WEBINARS & WORKSHOPS

### October 14, 15 & 22 – Tina Curran – Whimsical Garden

October you ask? How is this year passing so quickly? It will be here before we expect it and we are prepared!

Tina Curran will be with us in October. Tina is an art quilter and teacher, showing and selling her quilts worldwide. She has won numerous awards for her wonderful work. You may want to check out the galleries on her website, [tinacurran.com](http://tinacurran.com).

Here's what Tina says:

My interest in making art quilts was jump-started by seeing my dear friend Sara take a variety of patterned fabrics, cut them into pieces and combine them in such an artistic way. One of the great thrills with this art form is that my options are as infinite as those of a painter working on canvas - landscapes, portraits, geometric patterns, abstract impressions, etc.

Tina will be joining us via Webinar on October 14 at 10 am. She'll be sharing "My Excellent Adventure as a Quilter Trunk Show". She'll share dozens of quilts with the goal of encouraging us all as we see how her skills evolved and realize she, too, was once a beginner.

Like our other Webinars, it will last about an hour and will be totally free to our members. An email with the Webinar link will be sent to our members Monday, October 12.

Tina's adorable "Whimsical Garden" will be our workshop project. We'll be learning techniques for creating the background and using fusible applique to create our gardens. Our finished wall hanging will measure 24"x24".

Thursday, October 15, Tina will bring us the first half of the virtual workshop via Zoom. We'll learn techniques for piecing our backgrounds before adding our flowers. Tina will be teaching us from 9 am-12 pm. Attendees will receive an email with a link to the workshop.

Thursday, October 22, one week later, we'll meet again to work on the flowers for our gardens. Again, we'll Zoom from 9 am-12 pm. Again, a link will be provided.

I'll email a supply list to all attendees.

**The fee for this workshop is \$30, which includes both days. It will be limited to the first 30 members who email and send me their payment. In the event we fill up, there will be a waiting list.**

Please join us for a great time of watching, listening, sewing and fun.

To enroll, you should first email me, [pat.barton@verizon.net](mailto:pat.barton@verizon.net), then send me your check, made out to OGQG, for \$30. For your convenience, you may pay by credit card. You would need to call me with your credit card info to be instantly enrolled in the class. Note that there will be a \$2 convenience charge on each transaction.

## WEBINARS & WORKSHOPS

### **Supply List for Tina Curran's "Whimsical Garden" work-shop**

(for a piece finishing approximately 24" x 24")

A collection of floral fabrics featuring flower heads that don't overlap each other (or minimally overlap); flower heads can range in diameter from 1" - 7"; flower heads can be realistic, cartoonish, somewhere in between or ideally a mixture of all three. Depending on the size of the flower heads, you'll want between 20 and 40 with which to work.

(Please note that I can provide packets of flower heads for purchase if attendees can't source enough on their own -- an assortment of 30 flower heads for \$10)

Light blue fabrics (for the sky); will need about 20 - 25 strips measuring 4" - 6" wide and varying in length from 12" to 24"; a mix of fabrics is encouraged.

Yellow fabrics (for sunbeams); will need about 10 strips measuring 3" - 4" wide and varying in length from 12" to 24"; again, a mix of fabrics is encouraged.

Medium and dark green fabric (for stems); will need about 10 - 20 strips measuring 1" - 1-1/2" wide and varying in length from 12" to 24"; again, a mix of fabrics is encouraged.

A yard of bleached white muslin (for use as a preliminary backing fabric and to line any flower heads where the background fabric is showing through)

Sewing thread to match the yellows and blues or a neutral thread

Clear thread for raw-edge appliqué

Fusible web (if you need a recommendation, I like "Lite Steam-A-Seam 2", which comes in packages of five sheets measuring 9" x 12"); depending on how many flowers in your composition will need 1 or 2 packages

Batting of your choice measuring a bit more than 24" x 24"

Scissors to fussy-cut flower heads

45mm rotary cutter

6" x 12" and 6" x 24" (or longer) rotary cutter rulers

Rotary cutting mat(s)

Iron and ironing pad

Teflon ironing sheet

Sewing machine in good working order and with the ability to do a zigzag stitch

Any other supplies you usually use while sewing

To finish the project, you'll need a final backing fabric (measuring a bit more than 24" x 24") and binding fabric

Portable design wall (optional)

Tape to temporarily combine rulers and/or mats in order to cut long strips

Optional: the pattern will be available for those who would like to purchase it (\$12)

### November 11 & 12 Cathy Van Bruggen Baltimore Spring - Needleturn Applique

### Learn How to Needle-Turn Applique

Our own Cathy Van Bruggen will be our guest in November. Cathy is a wonderful applique designer and teacher. She'll walk us through the needle-turn process teaching us all the skills we need for her "brand-new-for-us" Baltimore Spring design.

Wed, Nov 11, at 10am, Cathy will be teaching us, "All About Applique". Guild members will receive a link to the event on Monday, Nov 9.

At our workshop Thurs, Nov 12, Cathy will teach us all we need to know for the lovely Baltimore Spring block. I haven't done much hand applique myself and I'm really looking forward to learning all the different skills in this class. Here's what Cathy says:

"In this class we will learn the basics of needle-turn applique and so much more! The Baltimore Spring class project will offer unusual **embellishment techniques** such as ruffled flowers, yo-yo flowers, 3 dimensional highlights, and how to create little creatures. **This class is for all skill levels.** There will be a class kit that includes the pattern, fabric and embellishments.

**Join us for a day of fun and inspiration"**

The workshop will be from 9 am-3 pm with a lunch break about noon. All the supplies we need to complete the block will be included in a required kit. The workshop is still at our reduced price of \$30 and the required kit is \$20.

To enroll, you should first email me, [pat.barton@verizon.net](mailto:pat.barton@verizon.net) then send me your check, made out to OGQG, for \$50. For your convenience, you may pay by credit card. You just need to call me with your credit card info to be instantly enrolled in the class. Note that there will be a \$2 convenience charge on each transaction.

## PHILANTHROPY REPORT

It's hard to believe, but Christmas is right around the corner! As a guild we're once again collecting gifts for the Marine families. We'll be doing a drop off at the Elks Lodge Parking lot in November, date to be announced soon. Thank you in advance for helping to make Christmas a little brighter for the children of our enlisted!

BRITTA Laski  
1st Vice President

### PHILANTHROPY DRIVE THRU

Arrangements have been made with the Elk's Lodge to have a monthly Drive-Thru. They originally planned to be open for lunch but that has been cancelled. They will NOT be open for lunch.

The first Drive-Thru will be scheduled for Wednesday, October 7, 2020 from 10:00 a.m. to 12:00. We will continue to do this monthly on the first Wednesday of every month.

A table will be set up in the front area at the entrance, where things can be dropped off or picked up. There will be pillowcase kits, quilt kits and quilts ready for quilting.

This also will be a great time to drop off any items you wish to donate to Philanthropy. Any completed pillowcases, quilt tops, quilted items and fabric. We especially need at least 1 yard cuts of children friendly fabric. If you have not turned in your Scrappy Trip Around the World this would be a great place to drop them off.

Please be patient with us until we can work out any kinks that may come up. Our plan is to have everyone drive by in their car and stop at the entrance, drop off and pick up what they would like. No one needs to get out of the car and things can be put in the back or trunk as directed.

Hopefully this will turn into a success and additional stations can be added in the future. Hope to see you at our FIRST Drive-Thru.

The Elk's Lodge is located at 11551 Trask Ave., Garden Grove (corner of Trask and Newhope).

See you Wednesday, October 7  
Sherry Lincoln & Jane Oglesby

## 2021 Membership Renewal Time!!!

Starting November 1, 2020 we will be accepting membership renewals. Due to Covid19, we will be handling this a bit different. Please watch your mail boxes the last week of October, we'll be mailing a new form with instructions of different payment options. Your annual dues will remain at \$25.00 and needs to be accompanied by a completed membership form.

We encourage you all to complete and return your form with payment by January 13, 2021. Renewals after that date WILL NOT appear in the 2021 Roster/Yearbook.

Please note: If you do not want to be listed in the 2021 Roster/Yearbook, we still encourage you to get your forms in on time. There will be a box on the form to check if you do not want to be listed.

Thanks so much,

Pam Osorio - Membership

## **ANOTHER MYSTERY IS COMING!!!!**

Didn't you just love the final outcome of our recent mystery. It was such fun seeing all the tops on our Facebook page. Each one is gorgeous. We don't have a winner for the name yet. Keep watching Facebook for the announcement once the decision is made.

We'll be starting a new mystery in mid-October. This one will be a bit different and not as big. We will be doing a sew-along. Once everything is finalized the supply list and basic instructions will be posted on our Facebook page and then the following week the actual project will begin.
