

Supply List:

- Pineapple Express

The pineapple quilt is all about precision and for this I prefer to use a ruler designed for making this block. Below are three options, you do not need all three. Please bring one of these to help you make this beautiful quilt.

- Sewing Machine in good working order with 1/4" foot if you have one
- Basic Sewing tools and supplies
- Rotary Knife with new blade! and mat
- Contrasting Thread that can be seen on the backside of your block
- Stash fabric
- Option 1: Lynda Milligan & Nancy Smith Pineapple Ruler - if you have one
- Option 2: Gyleen Fitzgerald also has a Pineapple Ruler
- Option 3: Creative Grids Pineapple Trim Tool #cgrjaw3
- If you don't have a Pineapple ruler, we may be able to use an Omnigridd 12-1/2" square ruler
- Option 4: June Taylor's Shape Cut JT-796 Ruler and red or orange Sharpie pen
